ENVIRONMENT

University Engagement

Local student teams comprising 2 - 3 disciplines will have six weeks to devise a comprehensive design and development program for a real, large-scale site full of challenges and opportunities.

Mentorship and Giving Back

Through a structured curriculum and one-on-one meetings, seasoned ULI leaders connect with the young talent and future industry leaders.

Community Recognition

The Annual Healthy Places Awards celebrate the projects, people and places that exemplify the mission of ULI and incorporate qualities that support the physical, mental and social well-being of a community.

ULI - Urban Land Institute is an independent nonprofit education and research organization that is supported by its members. Its mission is to provide leadership in the responsible use of land and in creating and sustaining thriving communities worldwide. Established in 1936, the Institute has some 40,000 members from 92 countries representing the entire spectrum of land use and real estate development disciplines.
